We would appreciate having a statement about your philosophy and work as an artist—either general or something specific about the piece(s) selected for this year's May Show to aid us in the preparation of gallery talks and in the release of publicity materials. For more space, use the back of this sheet.

The homes, as I observed them in Italy, were designed and structured in such a way that each one possessed a unique character and personality. These elements may be carried through to the individuality of the people within. The locket was designed as an entry into a home with the elements of personality, warm and strength which are unique to the home and hearts of its members.

Pamela Argenti
